dressed, Manager Daily Bulletin, Post
Office Box No. 14. Telephone 256.
J. G. CLEVER, Manager.

SALONICA HAS A THIRTY MAYOR,
a shining example of economy. A
short time ago, while presiding over
the Salonica Town Council, he
requested permission of the board
to purchase a barometer for his
private room at the municipal offices.
After an animated debate, in which
the "party of progress" gave utter-
ance to several stirring oration, a
majority of the Council voted in
favor of granting his Worship's
request, and he was accordingly
empowered to lay out moneys
belonging to the town, amounting
to the equivalent of seven shillings
in Turkish currency, upon the pur-
chase of a barometer. This he
promptly did, but his first care, after
hanging up the instrument in a
conspicuous position upon the wall
of his bureau, was to modify its
internal arrangements in such sort
that the indicator's functions should
be exclusively limited to pointing
out the words "Much rain" on the
dial. Now, when the citizens of
Salonica beseech their Mayor, upon
exceptionally hot and dusty days, to
give orders that the streets be
watered, he shows them the baro-
meter, softly murmurs, "It must rain
heavily in a few minutes," and sends
them about their business. Thus is
the water rate of Salonica kept down
to an abnormally low figure by the
ingenuity of its astute Chief
Magistrate.

How did he know?

"Please, sir, give few cents to a poor
blind men." "Are you entirely
blind?" "Yes, sir." "Haven't any-
thing for you today." "I supposed
you think because you wear tight
pants and have got your hair parted
in the middle you are somebody.
You look like that man who was
hanged in Washington county last
week; you long-legged, redheaded,
freckle-faced galoot."

Patrick Dugan, of Harwington,
Conn., who killed his father, has
been bound over in the sum of \$400.
The Judge had a great mind at one
time to make it \$450. Tell ye wat,
naow, when man daown in Connecti-
cut goes'n killed his feather, y'
gol, they make him smart fur it,
'Taint like ez of 'twas out West
naow, whar they don'thev no regard
fer human life. Parson Goodbee
says ef he'd been on the bench he'd
a made his bails \$450, he wouldn't
a cared wat folks said.—Burlington
Hawkeye.

It is said a cornet player in Berlin
burst a blood vessel trying to sound
a Wagnerian double note. It is
comforting to know that Wagner's
is to be the music of the future.

The Colorado beetle has traveled
to Europe, but the mosquito stays to
hum.—Boston Commercial Bulletin.

It takes but little mining to thor-
oughly blast a reputation.
